

Santa Barbara Cactus & Succulent Society

If you want to learn more about the fascinating world of cactus and other succulent plants, come join us at our monthly meetings which are free and open to the public.

“All cacti are succulents, but not all succulents are cacti”

The Santa Barbara Cactus & Succulent Society was founded in 1976 by a group of succulent plant enthusiasts, landscapers and growers. It is affiliated with the Cactus & Succulent Society of America (CSSA). Currently the club has over 100 members.

The local Society meets on the **second Wednesday** of the month at 7:30 PM, at the **Live Oak Unitarian Universalist Congregation** found at 820 North Fairview Avenue, Santa Barbara, CA (corner of Fairview and Cathedral Oaks Road. Usually there is **no meeting in July, to avoid 4th of July** conflicts, or August.

At each of the Society's monthly meetings, members enjoy a lecture, demonstration or slide presentation by succulent plant experts. Information on growing plants, a plant raffle, free cuttings, occasional plant sales are other activities at Society meetings.

Throughout the year, members receive a monthly newsletter, enjoy garden tours, get together for an annual potluck, and receive information on succulent plant shows and sales of other clubs and also activities of CSSA, the national organization.

To become a member, dues are currently \$15.00 for individuals and \$18.00 for families, for a (calendar) year. For more information, contact us by email at membership@sbcactus.org.

To join, please fill in the following; you can present it to the treasurer at the meeting or mail it to:

SBCSS
